

FCEC WINTER WEATHER POLICY

- If Petoskey Public Schools are closed due to weather, the Petoskey, Pellston and Huber Centers will be closed and all services will be suspended.
- If Pellston Public Schools are closed due to weather, the Pellston Center will be closed, but all other services will be operating as usual if the Petoskey schools are open on this day.
- If Alanson Public Schools are closed due to weather, the Huber (Brutus) Center will be closed, but all other services will be operating as usual if the Petoskey schools are open on this day.

Since we take the safety of our seniors very seriously, it is important to know that there may be an occasion when we close that the schools do not.
