

Senior Health EXPO

AUGUST 17 • 10AM-2PM
PETOSKEY HIGH SCHOOL GYMNASIUM

Friendship Centers of Emmet County is excited to bring back the Senior Health Expo. This event will take place on Wednesday, August 17, 2022 from 10 a.m. to 2 p.m. in the gymnasium of the Petoskey High School. The Senior Health Expo is designed to feature products and services for seniors' health and safety. Friendship Centers will be offering free blood pressure screenings to seniors and we are asking for some vendors to offer additional screenings or services free of charge to seniors, i.e. eyeglass cleaning, hearing aid cleaning, cholesterol screenings, etc.

All booths will include one table and two chairs. Electrical outlets are available - bring your own extension cords and floor coverings - we don't want anyone to trip over wires. Set-up begins at 9:00 a.m. the day of the event. Please don't dismantle early. Each booth is in charge of their own drawings and giveaways if they choose to do so.

Booth space is \$200 per table if registered by Friday, July 15. This includes your name, website, and logo in the August Silver Threads newsletter. If registered after that date, the cost is \$250 (with no mention in the newsletter). Questions, contract information, and payment can be directed to:

Char Delis, Marketing & Development Director
Friendship Centers of Emmet County, 1322 Anderson Road, Petoskey, MI 49770
