What is RSVP?

The Retired and Senior Volunteer Program (RSVP) is part of a national network of programs called AmeriCorps Seniors, that recruits adults 55 and older to use their talents and life experience to help meet community needs through volunteer service. RSVP offers maximum flexibility and choice to its volunteers as it matches the personal interests and skills of older Americans with opportunities to serve in their communities. Volunteers provide thousands of community service hours across the United States.

RSVP of Emmet County, is a non-profit organization dedicated to meeting community needs in northern Michigan by placing volunteers whose wisdom can make a difference. On-going education and support for volunteers is an important component of RSVP. Through careful monitoring, data collection, and evaluation by program staff, volunteers know of the impact they are making in addressing an identified community need.

RSVP is sponsored by Friendship Centers of Emmet County (FCEC). FCEC is a private, not-for-profit organization dedicated to improving the lives of the people it serves. The mission of the FCEC is: “to ensure that all senior citizens have the opportunities, information and services necessary to live healthy, safe and active lives of dignity.”

RSVP Emmet and Charlevoix Counties Mission

Our mission is to ensure that all senior citizens have the opportunities, information, and services necessary to live health, safe and active lives in dignity.

RSVP History

The Administration on Aging launched RSVP in 1971, allowing retired persons in America to continue leading active lives while contributing to the needs of the community in a meaningful way. Eleven projects were started in the summer of 1971. By 1974 there were 666 projects nationwide. In 1988, RSVP had grown to 750 projects supported by federal funding.

In 1993, RSVP became part of the Corporation for National and Community Service (AMERICORPS SENIORS), which is a federal agency. AMERICORPS SENIORS was created to meet the personal, educational, environmental, and public safety needs of the United States, and to encourage citizens to give full or part time service regardless of age.

What is a Volunteer Station?

A Volunteer Station is a public or non-profit entity, or a proprietary health care organization located in Emmet or Charlevoix counties, that has a written agreement with RSVP to provide volunteer opportunities. RSVP volunteers help volunteer stations fulfill their mission of serving seniors, students, the disabled and veterans in the community who are experiencing a need. Volunteer Stations agree to provide a safe environment for RSVP volunteers and accept the responsibility of volunteer supervision. Key individuals from Volunteer Stations assist with volunteer training.

Fitting in at your Volunteer Station

Volunteer Stations appreciate and value the time and talent you offer. When volunteering, don't be shy... ask questions about the organization. Below is a list of details you may want to know about the Volunteer Station:

- Know and understand your role at the Volunteer Station
- Understand what change you are working to create, or the problem you are working to address
- Understand the mission or purpose of the Station
- Know your supervisor and the station staff you work with. They will answer your questions and address any concerns you may have.
- Know what policies and procedures you are subject to as a volunteer, including the check-in procedure for your station

- Learn the little things such as the location of the restrooms, coat racks, workspace, parking area, the lounge or lunch area, etc.

Background Checks

Criminal background and sex offender registry checks are conducted for RSVP volunteers by RSVP staff. These checks are to ensure and maximize the safety of volunteers and clients served.

Conduct

Volunteers are expected to be professional. When volunteering, an RSVP volunteer must act in accordance with the Volunteer Station's guidelines for staff and/or volunteers. Any concerns regarding the guidelines should be taken to the station supervisor. If concerns are not resolved, please contact the RSVP Director or Coordinator.

Timeliness is essential, please be on time. If you are unable to arrive at your scheduled time, please notify the station supervisor. If you are going to be absent, please follow the process outlined by either the RSVP staff or the station staff for your volunteer assignment.

Confidentiality

Confidentiality is the cornerstone of a trusting relationship between volunteers, clients, Volunteer Stations, and RSVP. Some volunteer opportunities involve knowing sensitive information about the individuals being served. Issues or concerns regarding clients should only be discussed with the station supervisor. It is important to never release the name, address, phone number or any other information that may identify the client to anyone except the Volunteer Station. For your own safety, it is also important to only release your personal details to RSVP and volunteer station staff.

Volunteer Status

A volunteer will remain active throughout the program year as long as he/she reports at least one hour of volunteer service every six months.

At the end of the program year, volunteers will be asked if they want to continue their volunteer service. At that time, they will choose to remain active, go on a temporary leave of absence, or terminate their assignment. Volunteers may also terminate their volunteer assignment at any time by notifying RSVP staff.

Once a volunteer is terminated, he/she is no longer covered by our insurance or eligible to participate in recognition events.

Reporting Volunteer Hours

It is very important that RSVP knows how much time you spend volunteering. RSVP requires programs to keep track of volunteer hours as a means of assessing the program's performance. Volunteer hours indicate that you are an active volunteer, which allows you to participate in recognition events and remain eligible for volunteer liability coverage. Volunteer Stations will collect and report hours to RSVP staff based on sign-in sheets. Volunteers are required to sign the time sheet and indicate the number of hours served.

Volunteer Safety Policy

Volunteer safety is important to RSVP. Concerns regarding safety at your volunteer station should be reported to the station supervisor and RSVP Coordinator as soon as possible. If you are involved in an accident while on assignment, please notify the RSVP office within 24 hours. Should your medical, physical, or other conditions change at any time, please inform the RSVP Coordinator.

Inclement Weather

In the case of inclement weather or poor road conditions, please exercise caution. Use your best judgment in deciding to travel to the volunteer assignment. Please notify the Volunteer Station if you will be absent due to weather.

Volunteer Insurance Service – CIMA

All active volunteers are provided with accident, medical, volunteer liability, and auto liability insurance, which supplements existing insurance policies at no cost to the volunteer. The coverage protects an RSVP volunteer during volunteer assignment (travel to and from the station, and while you are performing duties at the station). For volunteers using a personal auto, minimum levels of liability vehicle insurance are required as mandated by the State of Michigan.

In case of an accident, auto or otherwise, the volunteer should:

- Report the incident immediately to the RSVP Coordinator, who will notify our insurance carrier, CIMA.
- File appropriate claim forms with his or her own primary insurance provider including Medicare or Medicaid.
- Keep insurance statement and itemized bills, as they will be needed to file a claim.
